

Assam University Library OPAC

The library was started with the establishment of the university in 1994. The library has been shifted to its new permanent Central Library-cum-Computer Centre building and started functioning in January 2006. The new building has a plinth area of 38,700 sq.ft. The function of the library includes collection development of knowledge resources, technical processing, organization, retrieval and dissemination of information to the end users including Barak Valley in particular and the entire North Eastern Region in general.
